

Introduction to Sales & Trading

If you are a student in the MCS, CS, Dietrich, CIT, or CFA College that is interested in an exciting career, this event is for you. Please join us to learn the basics of sales & trading in an environment that encourages you to ask questions. You will be able to hear from all levels of the business as they discuss how their various backgrounds led them to Deutsche Bank and where an internship can potentially lead you. Learn how you can benefit from the kind of structured, ongoing training that supports continuous development.
